

PREMIUM PLUNGERS

Reduce Operating Costs. Increase Reliability.

IMPACT™ plungers are the most durable and wear-resistant coated plungers on the market, with 3 to 5 times the life of any current OEM plungers. IMPACT™ plungers and parts use proprietary premium coatings that pair seamlessly with IMPACT™ packing to improve equipment performance and life.

IMPACT™ Plungers Lead the Market in Wear-Resistance and Durability.

**3 TO 5 TIMES EXTENDED LIFE COMPARED TO
OEM PLUNGERS**

**DESIGNED AND MANUFACTURED TO INDUSTRY
LEADING TOLERANCES**

**SURFACE FINISHED IN BOTH CARBON AND
STAINLESS STEEL**

**AVAILABLE SIZES FROM 1 TO 5.5 INCHES TO FIT
MOST FLUID ENDS ON THE MARKET**

**DRAMATICALLY INCREASES PLUNGER
AND PACKING LIFE**

APPLICATIONS

Fracking, water injection, cementing and other abrasive and corrosive applications.

Reduce Non-Productive Time & Extend Plunger Life with IMPACT™ Packing
